Why am I so stinkin' excited? Well, it is 7:30 and both of my kids are in bed and asleep!!! Carter skipped his nap today and so he was very tired.

Jeremy picked up take out on his way home from work today and then picked us up for a picnic! We then played at the park as a family. I loved it and so did the kiddos. I always get a little antsy to get out of the house. I didn't have to cook and I didn't have to clean! Thanks Babe, what a fun evening!

I took some cute pictures at the park I will put them up soon! Paige has been walking for about 2 months now and I love it. She is just so little and seeing her walk is too funny. I love this stage. She is pretty smart too. She knows the signs for Milk, Dad, Mom, More, Please, Sleep, food, and I think that's it. We love teaching our kids sign language. I think it helps with frustration when they know what they want but can't talk yet. She talks a little bit too. She says, Mama, Dada, Dog, Ball, Carter (Ardar, so sweet), Night Night, and bye bye. She also shakes her head yes and no. Ask her if she is a princess and you get a big grin and a nod! So fun! I love that little munchkin!
